## ***GROUPE DE TRAVAIL ATELIER 8 LEGENDS WORKING GROUP***

### **Legends Working Group –**

- \*The youth needs more counseling, education, adequate preparations before the next career step - parents to be included**
- \*Federations/Players Unions to work closely together to advice and protect young talents from bad agents**
- \*To create a well structured youth league and to categorize Academies-what is a real academy? All academies must be registered and certified by the FA and clubs to adopt them as part of their set-up. We must also support up and coming Academies**
- \*Long term vision –well organized youth leagues -regular academy tournaments for all categories and a Youth CAF Champions League pilot program to start regional once there are good structures in place.**

To include FIFPRO in planning's –before- during and -after the career of a player including educational programs – there is an existing M.O.U already between FIFPRO/CAF to be revised .

A life after football fund to be created to support players with executive –coaching and management courses

CAF Dream team to be established to play gala matches across the African continent and to raise money for the life after football fund and for players in hardship.

Legends to serve as Ambassadors and role models for the youth-CAF and various CSR projects organized and coordinated through the help and support of the African Union

**\*Re-establishment of the FOOTBALL COMMITTEE-LEGENDS serve on it and other CAF committees/Female legends to be included**

**\*Relationship between Legends and FA'S to be improved. Legends to serve on committees of the Federations**

**\*FA'S to have a player relations department**

FIFPRO DIVISION AFRICA to create more unions in AFRICA-

Standard Contracts for all African players on the continent a must –minimum salary wages and insurances to be included in the Club Licensing regulations

Coaching license equivalence:

CAF License A-no equivalence with UEFA

Europeans can work in Africa –but Africans not in Europe

Which measures is the technical directorate of CAF taking?-African Pro License-what is the stand?

- To establish a good communication channel between CAF and the Legends
- Timelines when suggestion and proposals are approved
- Legends to be included in the handing over of trophies during tournaments and CAF awards
- Next CAF meeting with Legends
